# Newsletter

Newsletter February 2024

Dear Parents/Carers,

We have had a fantastic start to the new year with exciting learning and teaching in school including trips, visitors, assemblies and many Enjoy, Believe, Achieve activities being completed by our children!

**Congratulations to our new Head Boy, Head Girl, Deputy Head Boy and Deputy Head Girl!**

**Sean Bertozzi, Carson Mulligan**

**Taylor Peers, Cara Young**

Year 6 children are all invited to apply for roles in school from Digital Leaders, Play Leaders to Mental Health Ambassadors to Librarians – all invited to take on a role and responsibility in our school. We are proud of them all.

**Zones of Regulation** – The Inclusion Team are leading a project in school this year with a focus on emotions. Mr Clarke and Mrs Gee have delivered assemblies since our return talking to our children about being in different zones. Ask your child if they know about the 4 zones and what they represent.

We are hosting a parent workshop on Zones of Regulation and invite you all to attend.

Look out for further information!

**Adswood Superpowers** - Each lesson, children evaluate their learning and talk about the Adswood Superpowers – unique to our school. From focus, determination, kindness – a range of superpowers are part of our everyday life in Adswood and develop children's awareness of values and what they represent. Ask your child what superpowers they have used today in school?

**Gold Standard** – Each day children write in school, mainly in English but also across a range of subjects each day. We introduced the 'Gold Standard' in September and have seen a vast improvement in the presentation of our children's work – not just in writing but across other subjects. They take pride in their work and are always eager to share learning with other teachers, the leadership team and visitors. We look forward to sharing their books with you at our next Parents Evening in March. Ask your child about gold standard writing!

**APS Club (After School Club)** – for further details on our new APS Club, please speak to the office or search on our school website. The club is in one of our classrooms onsite and provides after school care for children aged from Nursery – Year 6. Please use Parentpay to book a place! Open daily from 3-5.45pm Monday- Thursday and 3-5pm on a Friday. You can access the club for one off sessions or on a permanent basis. We continue to forward Holiday club sessions via seesaw provided by other external providers off site including Stockport County, Forest Schools, Meadowbank Sports club and more.

**School Age Plus Worker** – **Sarah Bieniasz** is on site every Wednesday morning if you wish to drop in and speak to her. Sarah is based at the Family Hub Centre next door and offers support to families in many ways. If you would like to make an appointment, please contact the school office or speak with our inclusion team – Mr Clarke or Mrs Gee.

**Fresh Food Charity** – **Thursday food delivery**– We have asked Jeff from Fresh food to continue with our weekly food delivery. Please come and help yourself to donations. If you are struggling, please do not hesitate to get in touch as we have food vouchers for food banks in school. We are here to support you all.
