Newsletter June 2024

Dear Parents/Carers,

We hope you have had a wonderful half term and enjoyed the break!

Congratulations to Mrs Ayers who has a new baby boy!

Arthur Alan Ayers was born last week! We are very excited for Mrs Ayers and her family.

We would like to **congratulate our Year 6** on their SATS assessments. The children worked hard throughout and showed determination and focus. We are very proud of them. We have to remember that SATS results do not reflect the children's talents, their kindness, their ability in all subjects, sporting achievements and so on... - SATS are only a tiny glimpse of who they are – they are all very special.

Our Year 1 children will begin to take their **phonics screen assessment over the next week**. They have been working incredibly hard in school receiving their daily phonics lessons. One of our link school teachers observed some fantastic lessons before half term in school. The scheme Read, Write, Inc is receiving positive feedback and results are improving for our children. Well done to our EYFS and KS1 team and all those involved.

Theme weeks continue to be a huge success in school. We celebrated – '**Stockport – Our Town**' in the last week of half term where the children throughout school learnt about a range of facts about the Town and history and geography links were made.

School numbers are increasing and we are now full in most year groups. We still have places in Nursery. If you have a child that is nursery age and you wish for them to join our school, please contact school admissions on 0161 217 6022 or the school office on 01614835003.

APS Club – Our After School Club continues to grow! Please use ParentPay to book a place whether it is on a permanent weekly basis or one off – we can accommodate!

Looking forward to our summer 2 term we have many events coming up so we have listed these below – **please add to your calendar!**

We have a number of non-uniform days coming up where we ask you to kindly donate items for our **Summer Fair**.

Dates for diary –

- Year 6 British Gas Sustainability Workshop- Thursday 13th June
- Non uniform – Bring in a gift – Friday 14th June
